**Re: CFTC Regulation 40.6(d) Notification: Nodal Exchange Weekly
Notification of Rule Amendments**

Dear Mr. Kirkpatrick:

Pursuant to Commodity Futures Trading Commission ("CFTC" or "Commission") Regulation 40.6(d), Nodal Exchange submits this weekly notification of the following rule amendment made effective during the week of November 3, 2014:

- On November 7, 2014, Nodal Exchange made revisions to the Nodal Exchange Rulebook Appendix A (Contract Specifications) and Appendix C (Reporting Levels, Accountability Levels and Position Limits) to correctly identify two contracts that have been established by PJM, which is the independent third party regional transmission organization that coordinates the movement of wholesale electricity within its region, which consists of 13 states and the District of Columbia. In accordance with CFTC Regulation 40.6(d)(ii), the revisions are delivery standards established by an independent third party and do no effect deliverable supplies or the pricing basis for these contracts. Nodal Exchange Rulebook Appendix A and C are attached hereto with additions noted in red.

If you have any question or need additional information regarding this submission, please contact me at 703-962-9835 or Herrera@nodalexchange.com.

Sincerely,

A handwritten signature in blue ink, appearing to read "Anita Herrera".

Anita Herrera
