Washington, DC 20581

**Re: CFTC Regulation 40.6(d) Notification: Nodal Exchange Weekly  
Notification of Rule Amendments**

Dear Mr. Kirkpatrick:

Pursuant to Commodity Futures Trading Commission ("CFTC" or "Commission") Regulation 40.6(d), Nodal Exchange submits to the Commission this weekly notification of non-substantive revisions made during the preceding week to update the terminology used in Nodal Exchange Rulebook Appendix A (Contract Specifications). The Exchange replaced the reference to "Contract Size per Lot" with the term "Lot Size," which is the terminology consistently used by the Exchange and broadly understood by industry participants. In addition, the Exchange added language to explicitly state that the unit of trading offered by the Exchange for electric power products is 1 MW. These revisions have no effect on the economic characteristics of the Exchange's products.

Nodal Exchange Rulebook Appendix A is attached that indicate **additions** and crossed out **deletions** in red.

If you have any question or need additional information regarding this submission, please contact me at 703-962-9835 or [Herrera@nodalexchange.com](mailto:Herrera@nodalexchange.com).

Sincerely,

A handwritten signature in black ink, appearing to read "Anita Herrera".

Anita Herrera  
Chief Regulatory Officer
