**Re: CFTC Regulation 40.6(d) Notification: Nodal Exchange Weekly
Notification of Rule Amendments**

Dear Mr. Kirkpatrick:

Pursuant to Commodity Futures Trading Commission ("CFTC" or "Commission") Regulation 40.6(d), Nodal Exchange submits this weekly notification of the following rule amendment made effective during the week of April 13, 2015:

- On April 15, 2015, Nodal Exchange made revisions to the Nodal Exchange Rulebook Appendix A (Contract Specifications) to correct a typo made at the time the contract specifications were revised on March 3, 2015. During the March 3rd revision, an internal error resulted in certain contract specifications reverting to the pre-January 8, 2015 version of the Exchange's contract specifications. As noted in the Exchange's Regulation 40.6(d) notice to the Commission on January 12, 2015, the Exchange had revised all of its contract specifications to use terminology consistently broadly understood by industry participants. Consistent with the January 8, 2015 revision, the correction of this error is a non-substantive revision of product terms that has no effect on the economic terms of the product in accordance with CFTC Regulation 40.6(d)(i). Nodal Exchange Rulebook Appendix A is attached hereto with the corrections noted in red.

If you have any question or need additional information regarding this submission, please contact me at 703-962-9835 or Herrera@nodalexchange.com.

Sincerely,

A handwritten signature in black ink, appearing to read "Anita M. Herrera".
