10.3. Other Restrictions. Company shall defend, indemnify and hold Nodal, its Affiliates, and the respective officers, directors, employees, agents, and representatives of Nodal and its Affiliates, (collectively, “**Nodal Parties**”), harmless from and against all third party costs, claims, demands, losses, expenses and liabilities of any nature whatsoever (including reasonable attorney’s fees) (“**Losses**”) incurred or suffered by such Nodal Parties arising directly or indirectly out of, or in connection with, any third-party claim, demand, or cause of action (each, a “**Claim**”) based upon or arising out of (a) use of the Nodal System, any Nodal Data, Derived Data, or Nodal Marks, or any other information or materials provided by Nodal or accessible by Company or any other person using Company’s access to the Nodal Data or Nodal System; whether or not authorized, except to the extent such Losses are proximately caused by the gross negligence or willful misconduct of Nodal; (b) actual or alleged breach by Company of this Agreement, including any of Company’s obligations, representations, warranties or covenants under this Agreement (or allegations that if true, would constitute a breach of this Agreement) (c) Company’s gross negligence or willful misconduct or fraud; or (d) allegations that the Company System(s) violate, infringe or misappropriate the Intellectual Property Rights of any third party or any Applicable Laws.

11.2. Infringement. THE AGGREGATE LIABILITY OF NODAL UNDER THE AGREEMENT FOR ANY CLAIM, REGARDLESS OF THE FORM OF ACTION, SHALL IN NO EVENT EXCEED THE TOTAL AMOUNT OF THE FEES PAID OR PAYABLE BY COMPANY FOR THE CALENDAR YEAR IN WHICH THE EVENT GIVING RISE TO THE LIABILITY OCCURRED.

12.2. Other Terms. ANY CLAIM FOR REDRESS OR DAMAGES HEREUNDER SHALL BE FILED IN A COURT OF COMPETENT JURISDICTION WITHIN TWO (2) YEARS OF THE DATE ON WHICH SUCH CLAIM ALLEGEDLY AROSE. FAILURE TO INSTITUTE LITIGATION WITHIN SUCH TIME PERIOD SHALL BE DEEMED TO BE A WAIVER OF SUCH CLAIM AND THE CLAIM SHALL BE OF NO FURTHER FORCE OR EFFECT. THE ALLOCATIONS OF LIABILITY IN THIS SECTION 12 REPRESENT THE AGREED AND BARGAINED FOR UNDERSTANDING OF THE PARTIES, AND EACH PARTY ACKNOWLEDGES THAT THE OTHER PARTY'S RIGHTS AND OBLIGATIONS HEREUNDER REFLECT SUCH ALLOCATIONS. THE PARTIES AGREE THAT THEY WILL NOT ALLEGE THAT THIS REMEDY FAILS ITS ESSENTIAL PURPOSE.

SECTION 13 - AUDIT

13.1. Audit By Nodal. During the Term and for as long as Company is in possession of Nodal Data, Company shall maintain complete and accurate records with respect to its use of the Nodal Data and Nodal Marks for the most recent two (2) year period. Upon written notice by Nodal of at least thirty (30) days prior, Nodal shall be entitled to carry out an audit at the site of the Company and its vendors and subcontractors, if applicable, for purposes of the verification of compliance with this Agreement, including confirming (a) that the use of the Nodal Data, Nodal System, and Nodal Marks have been in accordance with this Agreement, (b) the accuracy of records and reports relating to Company's receipt, use and distribution of Nodal Data, and (c) that the Fees have been properly calculated and paid (an "Audit"). Company shall cooperate with the Audit and in particular be obliged to ensure that Nodal or the auditors instructed by Nodal, as the case may be, receive access to operational controls, systems, books, records, or technical infrastructure at its site or the site of its

vendors or subcontractors. Nodal may additionally request from the Company relevant documents as well as electronic data files for the purpose of further examination. Company shall permit Nodal to take copies or extracts, and supply copies on demand to Nodal to verify compliance with the Agreement in accordance with this Section 13 and the relevant **Schedule D**. While on Company's premises, Nodal or its appointed auditor shall comply with Company's written reasonable confidentiality and security policies and procedures to the extent made known by Company to Nodal or its appointed auditor.

In no event will Nodal or its appointed auditor audit Company more than once in any 12-month period, unless necessary due to a reasonable suspicion of non-compliance with any material provision of Agreement in Nodal's sole discretion. Company shall comply promptly with any reasonable request from Nodal for information regarding Company's receipt, use and distribution of Nodal Data. Nodal shall send Company advance written notice of any third-party auditor appointed to conduct an audit on behalf of Nodal, upon receipt of which Company must submit objections, if any, within ten (10) business days.

Without prejudice to any other rights under this Agreement or provided by law, if the Company fails to comply with its obligations under this Section 13, Nodal shall, until the due performance of the obligations, be entitled to suspend the provision of the licensed Nodal Data or the License granted under Section 2.1.

13.2. If the Audit or Activity Report determines there is underreporting, underpayment or other financial non-compliance with this Agreement (or discloses additional underreported or underpaid amounts or other financial non-compliance), then such amounts shall be remitted to Nodal, together with applicable interest as detailed in Section 8 within sixty (60) days of the completion of the Audit. If Company fails to remit such additional amounts to Nodal by the end of this sixty (60) day cure period, Nodal may, in its discretion at any time, with prior notice to Company, terminate as provided in Section 6 of this Agreement. Company's liability shall be limited to unpaid fees, together with interest, for the two (2) years preceding the earlier of the date that Company, Company's auditors or Nodal first knew or determined that such underreporting, underpayment or other financial noncompliance has occurred. If the Audit discloses an overpayment, then Nodal will apply the overpayment for the sixty (60) days prior to the end of the period being reviewed as a credit against amounts due from Company. The Company shall bear the audit costs if the audit reveals that the Company did not comply with this Agreement.

13.3. Activity Reports. If set forth in **Schedule C**, Company shall be subject to the Activity Reports further detailed in **Schedule D**.

SECTION 14 - EXCUSABLE DELAY

14.1. Force Majeure Event. In no event shall either Party be liable one to the other, for any breach of this Agreement, which results from an unforeseen event outside the control of the breaching Party, including, but not limited to, acts of God, acts of the public enemy, acts of terrorism, acts of any foreign government, acts of the United States of America, (or any state, territory or political division of the United States of America, or of the District of Columbia), fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes and unusually severe weather conditions (collectively, “**Force Majeure Events**”), provided that, in every case, (a) the delay or failure to perform is beyond the control and without the fault or negligence of the Party claiming excusable delay; (b) the affected Party provides prompt notice to the other Party of the Force Majeure Event; and (c) the affected Party uses commercially reasonable means to mitigate the effects of the Force Majeure Event and cures the breach as soon as possible after the occurrence of the unforeseen event.

15.1. Certain Breaches by Company. Company acknowledges and agrees that the violation of its obligations under Sections 2.1, 2.2, 3, 4, 6.6, 7, 9, and 10 (including any unauthorized copying of, use of, access to or distribution of the Nodal Data, Nodal System or any information, data or software contained therein) would cause irreparable harm to Nodal, which harm may not be compensable solely by monetary damages, and that, therefore, in the event of an actual or threatened breach thereof by Company, Nodal shall be entitled to injunctive and other equitable relief, without the necessity of proving monetary damages or posting a bond or other security. Any such equitable relief granted shall be without prejudice to any other rights and remedies as Nodal may have under this Agreement.

16.2. Assignment. This Agreement shall be binding upon the Parties and their respective legal successors and permitted assigns. In the event of a Change of Control Nodal shall have the right to immediately terminate this Agreement upon written notice to Company.

16.5. Choice of Law. The validity of this Agreement, the construction and enforcement of its terms, and the interpretation of the rights and duties of the Parties shall be governed by the laws of the State of New York, without regard to conflicts of law rules. The Parties hereto agree that the state and federal courts located in New York, N.Y. shall be the proper forums for any legal controversy arising in connection with this Agreement, and the Parties hereby irrevocably and unconditionally consent to the exclusive jurisdiction of such courts for such purposes. So far as is permitted under applicable law, this consent to personal jurisdiction shall be self-operative and no further instrument or action, other than service or process as is permitted by New York law, shall be necessary in order to confer jurisdiction upon Company in any such court. The United Nations Convention on Contracts for the International Sale of Goods shall not apply to this Agreement and is hereby disclaimed. 16.7. No Waiver. The failure or delay of either Party to enforce at any time any of the provisions of this Agreement, or to exercise any option or right which is herein provided, or to require at any time performance of any of the provisions hereof, shall in no way be construed to be a waiver of such provision, right, performance or option.

16.8. Invalidity. In the event any one or more of the provisions of this Agreement shall for any reason be held to be invalid, illegal or unenforceable, the remaining provisions of this Agreement shall be unimpaired, and the invalid, illegal or unenforceable provision shall be replaced by a mutually acceptable provision, which being valid, legal and enforceable, comes closest to the economic effect and intent of the Parties underlying the invalid, illegal or unenforceable provision.

16.9. Entire Agreement. This Agreement, together with all the Schedules, Order Form and other attachments hereto, constitutes the entire agreement between the Parties regarding the subject hereof and supersedes all previous agreements, promises, proposals, representations, understanding and negotiations, whether written or oral, between the Parties respecting the subject matter hereof.

16.10. Survival. The provisions of Sections 6.6, 7, 8, 9, 10, 11, 13, and 16.4 and any other provisions which by their nature should survive in order to give them effect, shall survive termination of this Agreement.

16.11. No Partnership. This Agreement shall not be construed as creating a partnership between the Parties, agency relationship or joint venture of any kind or any other form of legal association that would impose liability upon one Party for the acts or failure to act of the other Party. Neither Party is authorized to bind the other to any obligation or commitment.

Customer agrees that it will not divert, use, export or re-export items (including, but not limited to software, technology, or data) contrary to United States law. Customer expressly acknowledges and

agrees that it will not export, re-export, or provide such items to any entity or person within any country that is subject to United States economic sanctions imposing comprehensive embargoes without obtaining prior authorization from the United States Government.
