Re: CFTC Regulation 40.6(a) Rule Certification: Notification of Revised Nodal Exchange Trading Hours on February 5th through February 8th, 2024

Dear Mr. Kirkpatrick:

Nodal Exchange, LLC (“Nodal Exchange” or “Exchange”) is hereby providing notice to the Commodity Futures Trading Commission (“CFTC” or “Commission”) pursuant to CFTC Regulation 40.6(a) that from the period February 5th through February 8th, 2024, the Exchange will operate extended market hours opening from 8:00 am until 7:00 pm, which is 1 hour later than regular hours. The Exchange will operate during these extended hours to accommodate an anticipated increase in trading on such dates due to increased activity in the underlying physical markets. This filing is effective in ten business days.

Exchange management has assessed this change in the Exchange’s trading hours and its compliance with applicable provisions of the Commodity Exchange Act (“Act”), including the Commissions Regulations and the Core Principles. Nodal Exchange has identified that this amendment may affect Core Principle 7 – Availability of General Information: The Exchange extended trading hours will be posted on its website (www.nodalexchange.com).

Pursuant to Section 5c(c) of the Act and the Commission’s Regulation 40.6, the Exchange certifies that the extended trading hours complies with the Act and the Commission’s Regulations thereunder. There have not been any opposing views expressed regarding these amendments. Nodal Exchange certifies that this submission has been concurrently posted on the Nodal Exchange website at www.nodalexchange.com.
