**Re: CFTC Regulation 40.6(a) Certification: Notification of Delisting 151 Nodal Exchange Contracts**

Dear Mr. Kirkpatrick:

Nodal Exchange, LLC (“Nodal Exchange” or “Exchange”) is notifying the Commodity Futures Trading Commission (“CFTC” or “Commission”) that it is delisting 96 Nodal Exchange environmental futures contracts and 55 environmental options contracts. Accordingly, the Exchange is self-certifying amendments to the Nodal Exchange Rulebook pursuant to Commission Regulation 40.6(a). Specifically, the Exchange is amending Appendix A (Contract Specifications), Appendix B (Minimum Block Sizes), Appendix C (Reporting Levels, Accountability Levels and Position Limits, Nodal Exchange and Clearing Transaction Fee Schedule, Nodal Exchange Trade Error Policy, and the GER® Governance & Methodology Protocol to remove the delisted contracts. The contracts will be delisted by the Exchange on March 20, 2025. The amendments are attached hereto, indicating the specific contracts being delisted by the Exchange.

The Exchange is delisting 151 Nodal Exchange contracts. There is no open interest on these contracts.

Exchange management has assessed the amendments to Appendix A, and their compliance with applicable provisions of the Commodity Exchange Act (“Act”), including the Commissions Regulations and the Core Principles. Nodal Exchange has identified that the delisting of the dormant contacts indicated by amendments to Appendix A may affect the following Core Principles as follows:

Core Principle 6 – Emergency Authority: There is no open interest in these contracts, and therefore there will be no market disruption related to their delisting.

Core Principle 7 – Availability of General Information: The Exchange is posting on its website ([www.nodalexchange.com](http://www.nodalexchange.com)) the delisting of the contracts, including the contract specifications for the delisted contracts. Upon delisting, the terms and conditions of these contracts will no longer be available on the Nodal Exchange Rulebook Appendix A – Contract Specifications.

Pursuant to Section 5c(c) of the Act and the Commission’s Regulation 40.6, the Exchange certifies that the delisting of these contracts complies with the Act and the Commission’s Regulations thereunder. There have not been any opposing views expressed regarding these amendments.

Nodal Exchange certifies that this submission has been concurrently posted on the Nodal Exchange website at [www.nodalexchange.com](http://www.nodalexchange.com).

If you have any question or need additional information regarding this submission, please contact me at 703-962-9853 or [markotic@nodalexchange.com](mailto:markotic@nodalexchange.com).

Sincerely,

/s/ Max Markotic
