Re: CFTC Regulation 40.6(a) Certification: Notification of Delisting Ten (10) Nodal Exchange Energy Futures Contracts in MISO and CAISO

Dear Mr. Kirkpatrick:

Nodal Exchange, LLC (“Nodal Exchange” or “Exchange”) is notifying the Commodity Futures Trading Commission (“CFTC” or “Commission”) that it is delisting ten power futures contracts in MISO and CAISO. Accordingly, the Exchange is self-certifying amendments to Appendix A (Contract Specifications) and Appendix C (Reporting Levels, Position Accountability Levels and Position Limits) of the Nodal Exchange Rulebook pursuant to Commission Regulation 40.6(a). The amendments to Appendices A and C are attached hereto, indicating the specific contracts being delisted by the Exchange. The delisting of these contracts was effective on January 23, 2017.

The Exchange is delisting ten dormant contracts that are associated with MISO and CAISO as follows:

MISO_RTO.NSP.AEPM4_month_off_dap
MISO_RTO.NSP.AEPM4_month_on_dap
MISO.NSP.AEPM4_month_off_dap
MISO.NSP.AEPM4_month_on_dap
MISO_RTO.NSP.AEPM4_month_off_dac
MISO_RTO.NSP.AEPM4_month_on_dac
MISO.CIN.HAG.AEPM_month_on_dap
MISO.CIN.HAG.AEPM_month_off_dap
CAISO.POD_PITTSP_7_UNIT 7-APND_month_off_dac
CAISO.POD_PITTSP_7_UNIT 7-APND_month_on_dac

These ten contracts are being delisted because due to the recent ISO model changes, contract nodes NSP.AEPM4 and CIN.HAG.AEPM in MISO and contract node POD_PITTSP_7_UNIT 7-APND in CAISO are no longer available since January 2017. There is no open interest on these contracts.

Exchange management has assessed the amendments to Appendices A and C, and their compliance with applicable provisions of the Commodity Exchange Act (“Act”), including the Commissions Regulations and the Core Principles. Nodal Exchange has identified that the delisting of the ten dormant contacts indicated by amendments to Appendices A and C may affect the following Core Principles as follows:

Core Principle 6 – Emergency Authority: There is no open interest in these contracts, and therefore there will be no market disruption related to their delisting.

Core Principle 7 – Availability of General Information: The Exchange is posting on its website (www.nodalexchange.com) the delisting of the contracts, including the contract specifications for the delisted contracts. Upon delisting, the terms and conditions of these contracts will no longer be available on the Nodal Exchange Rulebook Appendix A – Contract Specifications.

Pursuant to Section 5c(c) of the Act and the Commission’s Regulation 40.6, the Exchange certifies that the delisting of these contracts complies with the Act and the Commission’s Regulations thereunder. There have not been any opposing views expressed regarding these amendments.

Nodal Exchange certifies that this submission has been concurrently posted on the Nodal Exchange website at www.nodalexchange.com.

If you have any question or need additional information regarding this submission, please contact me at 703-962-9853 or markotic@nodalexchange.com.
