Re: CFTC Regulation 40.6(d) Notification: Nodal Exchange Weekly Notification of Rule Amendments

Dear Mr. Kirkpatrick:

Pursuant to Commodity Futures Trading Commission (“CFTC” or “Commission”) Regulation 40.6(d), Nodal Exchange submits this weekly notification of non-substantive revisions made, during the week of September 19, 2022, to the Nodal Exchange Rulebook Appendix A (Contract Specifications). For all Nodal contracts, the Position Limit field has been amended to provide a link to Nodal Exchange Rulebook Appendix C (Contract Reporting Levels, Position Accountability Levels and Position Limits), which provides the position limits for all Nodal contracts. The revisions to the Contract Specifications are cosmetic and do not change the position limit of any contract. These revisions have no effect on the economic characteristics of these contracts in accordance with CFTC Regulation 40.6(d)(i).

If you have any question or need additional information regarding this submission, please contact me at 703-962-9853 or markotic@nodalexchange.com.

Sincerely,
