

Staff Accountant

Nodal Exchange is a derivatives exchange providing price, credit and liquidity risk management to participants in the North American energy markets. Nodal Exchange is a leader in innovation, having introduced the world's largest set of electric power locational (nodal) futures contracts as well as the world's largest set of environmental futures and options. All transactions on Nodal Exchange are cleared through its clearing house, Nodal Clear, using a portfolio margining approach that provides participants significant risk management and capital efficiency advantages.

We are now looking for talented, innovative individuals to join our team in Tyson's Corner, VA (DC Metro area).

Primary responsibilities include:

Staff Accountant

Reporting to the Senior Accounting Manager, the Staff Accountant will play an integral role in the accounting function. This is an opportunity to solidify your accounting skills and gain broader experience. Specifically, s/he will be responsible for:

- Preparing manual journal entries
- Supporting monthly and year end close processes
- Fixed asset accounting including asset acquisitions, depreciation, preparation of schedules, and proper application of related accounting standards
- Preparing monthly general ledger account reconciliations
- Supporting all external and internal audits activities and inquiries
- Supporting periodic testing of key controls and responsible for timely remediation of identified issues, while maintaining proper evidence documentation of compliance with key controls and procedures
- Providing support for other ad hoc analyses and projects as needed

Requirements:

- Bachelor's degree in Accounting required
- Minimum of 2 years of accounting experience
- Strong understanding of GAAP, CPA a plus
- Strong verbal and written communication skills with the ability to interact at all levels of the organization
- Exceptional organizational skills, results-oriented with high sense of urgency

- Ability to work independently, while multi-tasking in a dynamic and fast-paced company
- Technology savvy with demonstrated ability to learn systems and processes quickly
